Forecast for Wednesday 13 Jul 2022

Weather: A mix of scattered, light showers and brighter spells. Showers more focused across western peaks of Sutherland, while the best of the brightness expected towards the southern end of the Great Glen.

Chance of cloud-free hill tops above 800m: Ranging from 30% in the northwest and 70% in the southeast

Low cloud and visibility: Cloud bases lowering 600-900m at times, frequent to extensive across western Sutherland, infrequently so towards Ben Affric. Visibility out-with cloud good becoming moderate in showers.
